Thanks, Dee, I'll do my best. Counting today, I have six more days in the office before being out until after the New Year, so am going to try to wrap up all my work on this by then. I've not been able to spend much time with the TSD or some of the other record materials, but will try to do so.

Subject: U&O FIP: schedule
Importance: High

Hi everyone,

We learned yesterday from HQ that they are now expecting to finalize their national oil and gas rules in April 2016. Since have been planning on following the national schedule closely, we too are looking at accelerating our schedule for finalizing the U&O FIP. Please prioritize your FIP work to close out any outstanding items as soon as possible. If you need help from others or you are stuck on something, please let me know.

Thanks again to you all, for all of your great work on this effort!

Take care,

Dee
